Helping through Diversity

We provide quality behavioral health services to children, adolescents and adults in multiple languages.

OUR MISSION

Multilingual Psychotherapy Centers, Inc. recognizes as its mission to improve the lives of children and families through their diversity, considering their cultural background, speaking their own language, providing the mental health services they need both in office or on site (homes, shelters, schools and/or other). We trust in the quality and professionalism of our service providers

OUR VISION

Multilingual Psychotherapy Centers, Inc.'s vision is to expand its mental health service to all the different culture groups established in the State of Florida, always in their own language

OUR VALUES

- We believe that every single culture deserves that same respect and consideration
- We believe that our diversity of people in Florida enriches our state
- We believe that improving the lives of children and families is basic for the future of a healthy society

Our Services

Admission Services:

- Mental health screening
- Assessment of level of care
- Evaluate the level of functioning
- Determine the person's readiness for change
- Triage to appropriate services
- Identify and meet cultural and linguistic needs

Psychiatric Services:

- Psychiatric evaluations
- Medication management

Psychological Services:

- Psychological testing/evaluations
- Psychosexual testing
- Educational testing

Outpatient Services:

- **Individual/Family Therapy:** For children & adults in home and/or office setting
- **Group Therapy:** Parental training, anger management, grief and loss
- **Couples Therapy**

Therapeutic Behavioral On-Site (TBOS):

Intensive therapy to children and their families at school, shelters, foster homes, and/or day care centers in an effort to alleviate emotional, behavioral and mental difficulties, improve the quality of life, and prevent the need for a more intensive, costly and restrictive placement

Targeted Case Management Services Children, Adults & Intensive:

- Linking/referring to community resources
- Community outreach
- Monitoring service delivery for progress evaluation
- Coordination of delivery of services
- Advocacy in legal and academic settings
- Crisis intervention and support
- Arranging and coordinating after care services upon discharge

Comprehensive Behavioral Health Assessment (CBHA):

The purpose of the CBHA is to integrate and interpret existing information and provide functional information to decision makers in determining:

- The most appropriate out-of-home placement
- Intervention strategies to accomplish family preservation, re-unification, or re-entry and permanency planning
- Comprehensive service plans and behavior health services when indicated

Psychosocial Rehabilitation Group Services:

- Restore a recipient's skills and abilities essential for independent living
- Development and maintenance of necessary daily living skills; food planning and preparation; money management; maintenance of the living environment; and training in appropriate use of community services.
- Assist the recipient to eliminate or compensate for functional deficits, interpersonal and environmental barriers created by their disabilities, and to restore social skills for independent living and effective life management
- Facilitate cognitive and socialization skills necessary for functioning in a work environment, focusing on maximum recovery and independence
- Community support and rehabilitative services are appropriate for recipients exhibiting psychiatric, behavioral or cognitive symptoms, addictive behavior, or clinical conditions of sufficient severity to bring about significant impairment in day-to-day personal, social, prevocational, and educational functioning

Other Services:

- Crisis Intervention
- Multi-Disciplinary team staffing
- Debriefing & follow up services

Insurances:

- Medicaid or Medicare
- CMS Title XIX, XXI
- Beacon Health (Humana, Simply Healthcare: Healthy Kids, Prestige Health, Clear Health Alliance, Freedom Health, Aetna Healthy Kids)
- Sunshine State Health Plan (Cenpatico)
- Concordia (UMBH)
- Community Care Plan: Healthy Kids
- ChildNet or SEFBHN Funded
- Self-Pay
